MORE DAILY WRITING OPPORTUNITIES FOR YOUR STUDENTS

Write About is a writing community and publishing platform for Classrooms and Schools

- Easily get students writing with high-interest content
- Improve student writing with personalized feedback and data
- Safely scaffold authentic audience and peer feedback

"Students find it relevant so they are writing more...plus their writing has improved!"

- Nate Moore, 6th Grade Teacher

A PLATFORM FOR PEDAGOGY

Student Centered

Build autonomy and help students identify as a Writer.

Cross Curricular

Support the entire writing process for all genres and purposes.

Easy to Implement

Amplify existing writing routines, projects and units.

Make Writing Visible

- To connect your classrooms to each other and the world
- Promote digital literacy with publishing and commenting
- Monitor student data and celebrate authentic work samples

MORE WRITING MATTERS

Assert & defend claims

Tell a story

Convey an experience

*“My students are producing **double the amount of writing** when writing on Write About than they were before”*

— Shavonne Jacobson
7th Grade ELA Special
Education Teacher

Inform about a subject

Respond to literature

Reflect on an event

WRITING GAME CHANGER

Easy to Start. Easy to Scale.

*“Write About has changed the way my students write. Such a **powerful and important platform.**”*

— Colby Sharp, 5th Grade Teacher
